'International CM Day' Celebration

The 4th Global CM Contest

Dear Sir or Madam,

Greetings from Seoul~! We hope everything is going well with you.

Please allow me to introduce myself. My name is Yeong-deok PAK, an assistant Manager of The Construction Management Association of Korea (CMAK).

In April 2010, CMAK, CMAA (Construction Management Association of America), CIOB (Chartered Institute of Building), CMAJ (Construction Management Association of Japan) and IPMA (International Project Management Association) proclaimed the second Monday of March each year to be the International CM Day to make contribution towards the advancement of CM and boost the

morale of construction practitioners around the world.

CMAK will be hosting the 4th Global CM Contest in Seoul to celebrate the International CM Day for 2017. Through the Global CM Contest, CMAK would like to share outstanding CM case studies that you conducted in the world and accelerate the globalization of CM.

Please see the attached files (Program outline, CM case study submission form).

Also, we would very much appreciate it if you could kindly send CM case studies to Mr Pak who is in charge of the Global CM Contest.

His email address is: cosmoscrab@cmak.or.kr

CMAK looks forward to inviting you to the event. Also, CMAK hopes you take part in the Global CM Contest with your interest to share the purpose of the event together.

If you have any questions on the event, please don't hesitate to contact us.

Thank you.

Best regards,
